

TIMBER TALK

OFFICIAL PUBLICATION OF THE CANADIAN ASSOCIATION OF WOODEN MONEY COLLECTORS

VOLUME 22

ISSUE 2

FEB. 1996

EDITOR: Ross Kingdon, 69 Dorchester Dr., Bramalea, Ontario, Canada, L6T 3E5.

Several **Christmas woods** are shown in this issue (more to come next month). Any information that I've received is also shown. If there are other members out there who have also issued woods, please send a copy to me and I will show the woods in a future bulletin.

REMINDER: Ron Zelk informs me that the renewal subscriptions for 1996 have been coming in well, to the point that most of our current members have already renewed again. If you are one of the few who have not yet sent in your renewal to Ron, please take some time now, to do so. The **March** issue of 'Timber Talk' will be the last mailed issue to those people not renewing.

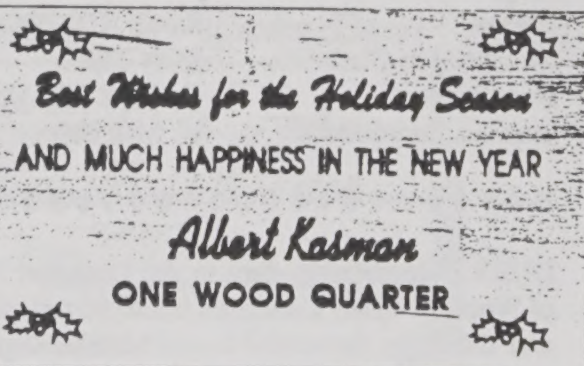

Membership Address List: Several of our members have requested an updated list of the addresses of all members of C.A.W.M.C. It is my hope to be able to publish such a list in either the *April* or *May* issue of 'Timber Talk'. This will be after all memberships for 1996 are in. If for some reason a member does not wish to have his/her address included in that list, please let me know well in advance, and I will not publish it.

Jerry Remick (Ste. Foy, Quebec) and **Albert Kasman** (Toronto) have both sent me their Christmas flats, both made by Canada Wide Woods. The actual size of these wood flats is 3 3/4" x 2 1/4". The obverse on both woods is the same. The obverse of Jerry's flat is silver in colour and the reverse is gold. The obverse of Albert's flat is blue in colour and the reverse is red and black.

Note the advertisement, with all the details regarding this convention, on page 8 of this bulletin.

These are shown together, on the next page.

The six remaining woods, not previously shown, are shown below. For all of these woods, the obverse colour is shown first. All woods are seen in actual size.
